## NEWS RELEASE

### Central Indiana K9 Association Hosts K9 Training

Plainfield, Indiana – Central Indiana K9 Association’s (CIK9) Training Program strives to assist, unite, and promote all working K9 Teams across Central Indiana, through accessible training. CIK9 hosts its second K9 Teams Training Camp June 29 through July 1, 2020 at multiple locations in Central Indiana.

CIK9 is proud to partner with High Risk Deployment Police K9 – Scenario Based K9 Training Experts to provide an intense working seminar to challenge both K-9 and handler. Participants will be given no-nonsense instruction, valuable feedback, and guidance on how to implement scenario-based training into their on-going training to protect and serve the public.

“Hendricks County 4-H Fairgrounds and Conference Complex, Hanzo Logistics and Lucas Oil Raceway have generously opened up their locations to provide a variety of environments for us. This will enhance the training, so we are incredibly grateful to these organizations”, said Corporal Kyle Schaefer of Hendricks County Sheriff’s Office and Co-Founder of CIK9.

Twenty-five K9 Teams representing twelve agencies are expected to participate in the three-day camp. The agencies pay for the instructor fees while CIK9 facilitates the venues, food, and beverages for the three days.

For this camp, CIK9 funded its first free registration to a K9 Team who otherwise would not have been able to attend. Donations are needed to continue to fund one or more free registrations for future training camps as well as pay for the food and beverages for the hard-working law enforcement K9 handlers. Donations can be made at <https://cik9.org/>.

Central Indiana K9 Association is a volunteer-driven, nonprofit organization founded in 2019. Its programs – funded by public donations and grants – assist, train, and honor working K9s, who serve faithfully, vigilantly, and selflessly within Central Indiana.
